

TESTIMONIALS 5 STAR ALL THE WAY

“Ziva Corporate have captured the essence of our brief, nature and style of our respective properties and have added flair and style to the hotel ambassadors (our staff) who wear them.”

Holiday Inn Crowne Plaza Resort, Hamilton Island

“We wanted something unique to make a statement and which the staff would be proud to wear and be comfortable in. The designs which Ziva presented to us far exceeded our expectations. They designed the outfits, custom fitted each employee, produced and delivered the uniforms in just four weeks. The whole design concept met our criteria perfectly and we immediately established a remarkable corporate image. We have received numerous compliments from customers on the look we have achieved. We also believe our staff perform better because they know they look good. It is our opinion that Ziva is a consummate example of a successful small business; by producing a high quality product, delivering it on time and for a realistic price. She gives excellent after sales service and is without doubt the best in her field of corporate attire in Sydney. We would not hesitate to recommend her to anyone wanting to make a value-added investment in their company image.”

“We have found Ziva Corporate to be a most professional organisation, offering their best at all times. Ziva is a delight to be associated with and has always produced excellent quality garments. She has no qualms about designing new and innovative looks. Our company’s standard is of the utmost concern to us and Ziva Corporate was the only company we could rely on to support us and also to grow with us as our company expanded. We have tripled our employees in the last six months and Ziva has never let us down on any order we have placed, she and her qualified staff have processed orders very efficiently. We have no hesitation, whatsoever, in recommending Ziva Corporate to any company who is considering a supplier for their corporate attire. We look forward to continuing our long standing relationship and wish them every success on their endeavours.”

“Your range of designs and quality of materials gave us an excellent choice. Many of our patrons and visitors are still commenting on what a nice uniform the club now has. Your personal attention to detail was most appreciated, and the back-up service since our initial order has been excellent.”

Richmond Ex-Serviceman’s Club Limited

“Ziva Corporate worked with us to produce a combination of uniforms that would be both innovative, attractive and suit the work carried out by the various departments. Ziva and her team were on site for one week to ensure a smooth handover. Ziva worked tirelessly to ensure her product was introduced within the given time constraints and at all times meeting with the approval of the team at Hilton Melbourne Airport. The great efforts Ziva made to ensure her product was set up and cared for correctly have helped to achieve both a smooth introduction and will aid longevity of the uniforms. We have received very favourable comments from both our guests and our staff particularly concerning the relaxed style of the uniforms. I am happy to refer Ziva to anyone especially given the detail and effort that Ziva personally gives to ensure the desired results are achieved.”
